PHOTOGRAPHY SECTION – ENTRY CONDITIONS

Photographic entries will only be accepted on
Tuesday 22nd, Wednesday 23rd and Tuesday 29th AUGUST
 NO LATE ENTRIES WILL BE ACCEPTED

1. The photography competition is open to all entrants over 16 years of age on the day of the show and we look to encourage as many new and previous entrants as possible to take part. There is no limit as to the number of photography classes you may enter but due to the limited display space and the growth in the overall entries there are the following limitations :
 - a) You may enter a maximum of four photographs in any one class and
 - b) An overall maximum of ten photographs in total per person in the competition.

Your attention is also brought to the changes regarding the acceptance of entries for the photography section as detailed in this schedule.
 2. Photographs in all classes must not have previously won a prize* at any Rainford Show. (*Prize means a 1st, 2nd or 3rd prize awarded at Rainford Show)
 3. To assist in the display of photographs - as we are now using plastic mounts - it would be appreciated if the prints entered in the competition are mounted on card. Whilst compliance with this request would be most helpful in staging the prints, it is not a compulsory requirement. It should also be noted that photographs that are framed will not be accepted for the competition.
 4. All entries must have the photographer's name, the title of the photograph and the show classification clearly displayed on the back surface. The exhibitor's name must not be visible on the front of the exhibit.
 5. The award of the Bernard Bibby Shield for the "People's Choice" will be for the photograph attracting the highest number of votes from a random sample of the viewing public at the show. The voting will be restricted to one per person. Photography exhibitors at this year's show will not be eligible to vote. In the event of a tie, the Show Chairman will have the casting vote for the winner.
 6. Photographs may be taken on film or digitally but must be sourced from your own original work.
 7. The entry fee per photograph is 30p for all classes.
 8. No photographs may be removed from the display prior to the close of the Show. You are requested to collect your photographs from the Village Hall at 4.30pm on the day of the Show. Photographs not collected at the close of the Show will be retained for later collection from Eric Fairclough for a period of three weeks, after which the Show Committee reserves the right to dispose of any uncollected prints.
 9. Attention is drawn to Show Rule No. 8: Whilst every care will be taken to maintain the condition of all entries, the Show Committee cannot be responsible for any unforeseen loss or damage that may occur during the staging and exhibition of the photographs.
- Entrants are requested to enter their photographs only on the acceptance of the above Conditions and the Show Rules.
